● No

Only one parent didn't find Seesaw useful.

This time we have sent home hard copies of reading books. Has this been better for your child?

71 responses

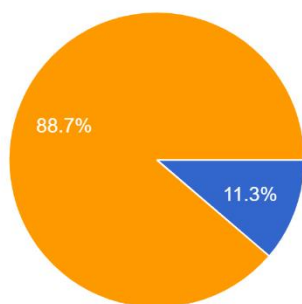

● Yes
● No

One parent doesn't like the actual books. We are so pleased that the children can have the Reading Scheme alongside Bug Club/AR this lockdown.

How have you found the quantity of work?

71 responses

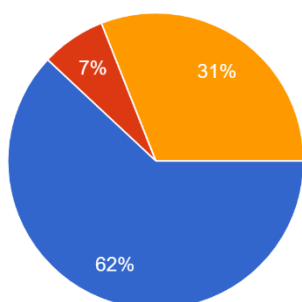

● Too much
● Too little
● Just right

We will make contact with the families who feel it is too much to see what we can do.

BUG CLUB READING (P1-4/5)- is Bug Club a useful way of supplementing your child's reading?

● Yes
● No
● N/A

Glad that the money we put into this is useful.

ACCELERATED READER (P6-7)- is AR a useful way of supplementing your child's reading?

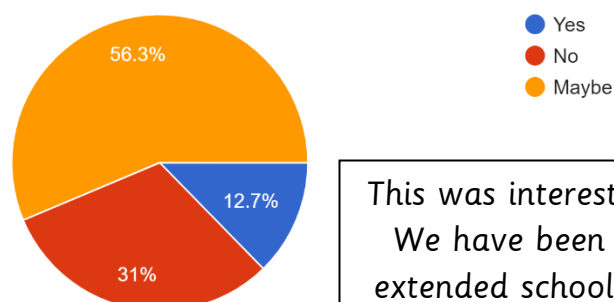

71 responses

It's a super resource isn't it.

Would you like access to more online literacy resources/apps e.g. Reading Eggs, Big Cat books & quizzes?

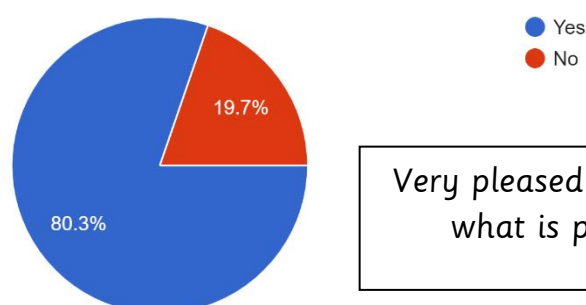

71 responses

This was interesting and good for us to know.
We have been granted free access through extended schools and will not send the codes home as per survey response and use this in school only.

Does your child enjoy using Mathletics?

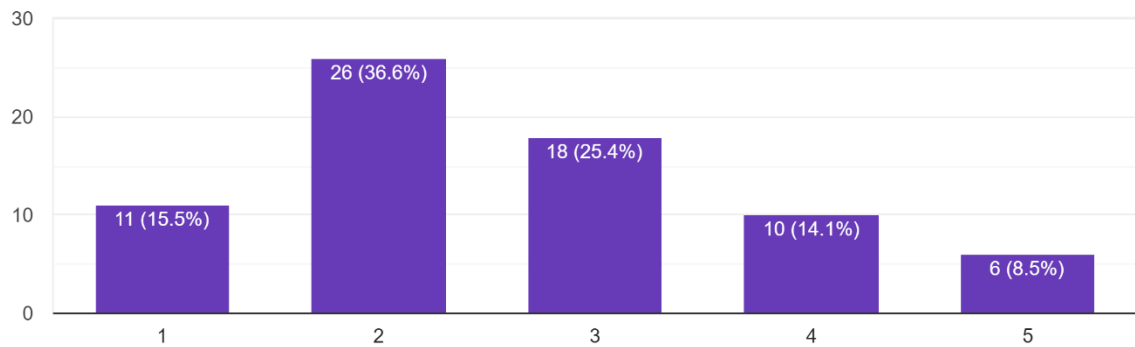

71 responses

Very pleased - we will spend time researching what is positive and negative about it.

Has your child felt motivated to do their school work at home during this lockdown?

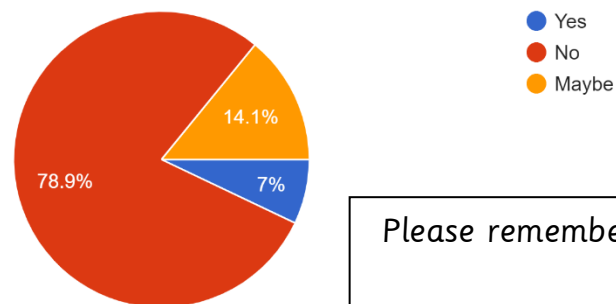

71 responses

We will follow up on some of these responses. Motivation is hard to measure and varies from day to day/ week to week. It's all so hard for everyone as the weeks go on. Nothing replaces school as we know it but we are glad that 55 families are feeling motivated. Thank you for all you are doing.

Would you like Mrs Steen or a teacher/classroom assistant to phone your child?
