

A very sincere "Thank You"

Thank you all once again for all you are doing in the best way you can. Communication is key and I'd like to thank our:-

- **Parents** for messages of encouragement on the Questionnaires and through Seesaw. Thank you too for being open and honest and for asking for support when you need it. In the midst of your own busyness, you have taken on the "mantle of teacher" and didn't sign up for that in life!
- **Children** for the high level of work you are getting through - it's making your teachers very happy.
- **Secretaries** for keeping going with all the "behind the scenes" administration that is invaluable to us all.
- **Caretaker and Cleaner** for continuing to provide a safe, hygienic working environment. Your sense of humour is also a great tonic.
- **Classroom Assistants** for supervising the home learning of the 43 children of key workers day in and day out. Thanks also to Teresa and Wendy for keeping everyone safe at lunchtime.
- **Teachers** for working steadfastly to deliver the curriculum in a manageable and organised way to make the "home learning" as near as what you would be doing in school at this time. Thank you for all the videos you have uploaded and endless hours of preparation. Thank you for caring deeply about how the children are learning and progressing.

We are all "working together to achieve our best" in this very different world. Thank you all.

Yours,

Mrs Steen
